5780 The Year of Beyond

*Throne Room Appointments await you this year. The New Era Is here. The Decade of the mouth, decree His Will, Decreeing heavens Agenda
Pey= Mouth, your mouth, gives insight expression of the breath. To speak that which was seen, an Ability, a speech, a strength to reach beyond. Yod- Divine spark, the divine spark of God being placed into the soul of man.*

Hebrew Year 5780 (2020): A Year Beyond, of the mouth, to speak that which was seen. The Times of Divine Spark & The Days of blue skies. It holds the appointed day of restoration & Full Occupancy.

I can see clearly now the rain is gone song
I can see all obstacles in my way
Gone are the dark clouds that had me blind
It's gonna be a bright (bright), bright (bright)Sun-Shiny day.
I think I can make it now, the pain is gone
All of the bad feelings have disappeared
Here is the rainbow I've been prayin' for
It's gonna be a bright (bright), bright (bright)
Sun-Shiny day.

Look all around, there's nothin' but blue skies
Look straight ahead, nothin' but blue skies
I can see clearly now, the rain is gone
I can see all obstacles in my way
Gone are...

The Son is shining brightly, and there are new adventures and surprises waiting to be explored I say unto you. Look all around look again you shall see blue sky's like you've never lived in! Take My hand, trust the path I have said and go with Me down this blue sky path. Truly the best is yet to come, and you are entering into your finest hour," says the Lord! This is the design of me for living **beyond in the blue sky's**

"Draw me after you; let us run. The king has brought me into his chambers. We will exult and rejoice in you; we will extol your love more than wine; rightly do they love you" (Song of Songs 1:4 ESV).

The number 80 is the numerical meaning of the Hebrew letter "Pey" which symbolically is the picture of a mouth, prophetically representing prayer, prophesy, and the decree, as well as breath and creativity. Additionally, it carries the implication of deliverance and movement and for us represents the "coming out of the bondage" season many are right now experiencing. There has been dark gloomy foggy days, but the blue sky's baby are here and now step into the bluest of days.

The clouds are beginning to disperse, the sun's rays are breaking forth through the dark clouds (God's Glory is shining forth), a new day has dawned, and new growth is springing up out of the good soil from all the seeds we have sown in 5779.

Our God is getting ready to do so much in this upcoming new season! Hallelujah! But we must start preparing for it now tribe. So, make sure you are in the right posture and in the right position to see those long-delayed prophetic words fully manifested; those long awaited promises fulfilled in your life. You are being prepared and positioned for the race ahead.

The Lord of Glory longs to meet you where you live, where you work, and where you are praying and contending for breakthrough. The Holy Spirit is urging all of us this month to let go of the things that would cause us to be heavy and weighted down preventing us from advancing into our rightful position in the Kingdom of God.

This is a month to stretch forth your hands to heaven in praise and worship and decree and declare by faith, "I'm pressing into my new day appointments and new heavenly

assignments! I'm breaking through the barriers and pressing through to my promised victory and miracle breakthrough!" Isa.43:18-19; Isa.60; & Psalm 143:6

Blue Shy's mentality is a life of living Beyond: The Further side of it, outside the physical limits or range of, more extensive or extreme than, happening or continuing after having progressed or achieved more than, too much for someone to achieve or understand.

To reach beyond We are the writers of the mouth of acts. Beyond the horizon, what you can see, now beyond by what you say. Speaking to the Eternal

I will break this all down later in the teaching of all where I got the blue sky's and the beyond meanings from the Hebrew writings for not just this year but this decade we entered into.

The Scriptures of 2020 he granted me was:

- 1. Eph 3:20** *Superabundantly More (lifestyle) = Beyond living*
- 2. Job 22:28** *You shall also decide and decree a thing, and it shall be established for you; and the light [of God's favor] shall shine upon your ways. AMP*
- 3. Hab 2:2-3** *And the Lord answered me and said, Write the vision and engrave it so plainly upon tablets that everyone who passes may [be able to] read [it easily and quickly] as he hastens by. 3 For the vision is yet for an appointed time and it hastens to the end [fulfillment]; it will not deceive or disappoint. Though it tarry, wait [earnestly] for it, because it will surely come; it will not be behindhand on its appointed day. [Heb 10:37,38.] AMP*
- 4. John 14:2** *(things Jesus did you shall do and GREATER)*
- 5. 2nd Chronicles 16:9-** *Eye of the Lord on Loyal to show HIMSELF strong*
- 6. James 1:19** *Wherefore, my beloved brethren, let every man be swift to hear, slow to speak, slow to wrath: KJV*
- 7. Proverbs 31:26** *(NIV) ¹²⁶ She speaks with wisdom, and faithful instruction is on her tongue."*

8. **Colossians 4:6** (NKJV) *"6 Let your speech always be with grace, seasoned with salt, that you may know how you ought to answer each one."*

9. **Romans 12:14** (NKJV) *"14 Bless those who persecute you; bless and do not curse"*

It is extremely vital that we have a weight upon that which we speak. Let no folly come out of you mouth. Vitrally Important we know when and what to speak and when NOT to speak. Words will not be wasted in this hour we stepped into of the decade of the Pey The Widen Mouth.

Understanding of the times and seasons is nothing new to the Tribes of Israel, indeed, it's even understood within Nature itself. Even before the outpouring of the Holy Spirit, the sons and daughters of the Tribe of Issachar were known to have a deep understanding of the *times*, and they *knew* by faith what it was that would need to happen next in order for the Jewish people to align themselves with God's plans.

"And of the children of Issachar, which were men that had understanding of the times, to know what Israel ought to do" (1 Chronicles 12:32).

Today's times are no different. *Especially thanks to* the outpouring of the Holy Spirit, those who have understanding of the Spirit of God have access to the Throne Room of God and are, likewise, able to *see* and *hear* what is on Heaven's Agenda for the coming times. Holy Spirit filled believers are invited to join the children of Issachar to have *understanding of the times* and *to know* what it is the *new* Israel ought to do.

Your Seeds In Action

We are so happy to announce another project in which you our partners is making possible. We are watching the divine spark of God being released on the earth realm. And we are watching him add to the church every service.

Promise Book

As we have been in true revival in Clinton Oklahoma for the past month and a half. And every week we are watching salvations come, people being set free from Drugs instantly being sobered, lives being transformed healing and miracles taking place. And with that being the case, we heard the lord to create Salvation packages. In which we have designed and are in the midst of creating Got Jesus, Now What promise book.

The Father has instructed us that in these Salvation packages (which will all be granted at no cost to the one gaining salvation) we are to place in them a bible, and a promise book in each package. We will also be having the promise book available for \$8 to those who would like to purchase one and support the ministry in that way. What is unique about these promise books is that you not only lead them to scriptures for their daily lives, but then we place a prayer at the end of every subject in which they have searched scripture for.

The Rarity of this promise book is it is not like others you will find on the market, for these are wrapped around scriptures for those coming out of true darkness, and the demonic realm. Truly giving starting points for anyone in which to gain transformation from the old man to the new. For example we will have scriptures and prayers about what to do for New Creation , Choosing (people, places and things, Putting on the full armor of God, Renewing the mind, Putting off the past, Putting on the new, Thoughts, The dynamic of dysfunction, Words, Chang, Trust, Value boundaries, Forgiveness, Finding your worth and value, Restoration, Faith and strength, Encouraging words.

To follow God's leading, Binding and loosening, Dealing with anxiety, Dealing with Fear, Dealing with shame, Dealing with guilt, Dealing with loneliness, Dealing with anger, Dealing with rejection, Dealing with insecurities, Dealing with death, Dealing with hurt, Dealing with pain, Dealing with enemies, Believe and you shall have, Ask, Listen, Attitudes, How to handle trials, For court cases, Breakthrough, Help, Protection, Strength, Wisdom and guidance, The power of decree, Desires of your heart, Doer of the word, Beauty for ashes. Inner healing, Joy, Hope, Peace, Safety, Finances, Tithing, For a job, For favor, Deliverance, From Addiction, From Lust, From lust of the flesh, From Gambling, From sexual sin / perversion, From Overeating /

eating disorders, From Control, From Abuse, From Prescription Drug, From Pleasing man, From Perfection, For sleep, For healing, Patience, Comfort, Prayers. , Justice, Dealing with divorce for adults, Dealing with divorce for children, Dealing with a parent / child/ spouse incarcerated.

Example of extra Prayers

Prayers for Salvation, Prayer for Deliverance, Binding satanic powers. Breaking and releasing from curses, Freedom from generational sin/curses, Freedom from all evil of mind, body, spirit, Prayers for marriage, Prayer for deliverance from habits

This will be a great tool in which we all can sow into the lives of which the Father by his divine spark is calling unto himself and his turning of hearts from darkness to light. What a privilege it is to be entrusted by the Father to touch the lives of all he sends. Together Tribe we are moving Heaven upon the earth realm. Touching one life at a time. Granting the tools which will be needed to build upon a strong foundation.

He also directed us to make Outreach bibles, in which will have our logo on them and information cards in each one to connect with the ministry. Here is a sample of the bible in which we will be ordering for the Salvation kits> (picture to the right) Partners I can not express enough, we couldn't do this without your partnering with the lord in this ministry. Teamwork makes the dreams work, and we are about one heart at a time.

Richard and I want to take this moment to come to you and ask you to get involved with us in this outpouring of the Spirit of God upon all flesh and bringing the tools needed to help them be transformed into the fullness of their new creation. Granting them tools to succeed. How can you get involved you ask? By partnering with us monthly helping us to go where he calls us when he calls us, by partnering with us to produce such tools as theses to be a blessing to all which get saved. Sending a one-time donation for production of the promise book or the bible or both. No blessing is too small or too large! Together we shall fulfill the commission that the Father placed upon this ministry of Isa 60, Isa 61, and Luke 4:18-19

Here are your seeds in Action this last three months

October 5th, we had the honor of being one of the guest speakers to the Ruth Conference and fundraiser for Woman to Woman Ministry. Director Bernia Williams-Kelly is a formerly incarcerated woman with a lot of heart and passion. Several years ago she founded "Woman to Woman" to assist other women in their transition from prison back into the community. Woman to Woman, PRC, Inc. provides temporary transitional housing, employment resources and other avenues of support, and assists women with the reunification of their families and communities. **Woman to Woman** is a re-entry **ministry** for **women** returning home from prison in ... The **Topeka Women's** State prison, the Sedgwick County Jail as well as prisons around the nation are releasing **women** who are returning to home to **Kansas**. Our Vision-Empower, restore, connect and reconcile women in their fresh start as they make a new beginning inside of the power of a second, third, fourth and fifth chance, we never give up, never: as Jesus never stop loving us forgiving and saving us. We also minister to the families and children who have a parent in jail/prison. We also encourage people to write to the women in prison around the world. We can connect you with an imprisoned women to share the love of Jesus Christ with, partner and encourage her along her struggle.

Oct 26th we were so honored to be a guest speaker at the Working Men of Christ Ministries 2nd Annual fundraiser. It was truly a blessed time of meeting other Kingdom people and watching all the lives in which Spencer Lyndsey Director of WMOC Ministries and all the team are touching. We partnered with this ministry about a year and half ago and enjoy working together setting the captives free. The Team loves to go to Topeka Women's Prison, and when we do, we get the honor of staying at the House of Ruth which is one of the houses under this ministry.

A little about that ministry in which we are partnered with Working Men of Christ offers housing and mentoring to those coming out of incarceration to help them become productive, healthy members of the body of Christ and their families. We believe that a healing approach to all those affected by crime and incarceration can contribute to healthy, prosperous communities. Our ministry is grounded in the conviction that we are all made in God's image, and there is no one who escapes His Love. Jesus, who was also put on trial, convicted, and executed, continues to offer hope and healing for all who seek Him. Through the awakening offered by a Christ-focused life, those who were broken

Please check out our webpage for full calendar for the Highwalkers @ www.freedomfireministry09.com

are made whole again and are mobilized to serve their neighbors, breaking the cycle of crime.

Working Men of Christ begins the work with each student while they are still incarcerated and nearing release. Before being released, they complete a workbook called "The Captivity Series: The Key to Your Expected End" by Katie Souza. Upon release, they come to live at one of our discipleship houses where they participate in daily Bible study. The cost to stay in the houses is \$110/week. Through mentoring and community involvement residents are reintegrated into society with a solid foundation. This has proven to be an extremely effective process as evidenced by our 4% recidivism rate over 7 years compared to the national average of 67.8% over three years!

TRUE REVIVAL HAS COME TO CLINTON OK~ AND THE REGION

Oct 13th, we began what we thought was just a normal three time service at Host Ministries Church in Clinton Ok, but very quickly we found out that we were not seeing the full picture of what was in the heart of God for this Revival we have now found ourselves in now going in our 9th week service at Host Ministries Church 605 Avant Clinton Ok. The Father spoke to Kristi and said, clear your agenda for Heaven is ready to move on the Earth realm, clear all through the end of the year, for I am going to move in Clinton Ok. And we will talk in Jan with what I want for your schedule to be concerning this move. So, we did and BOOM, He is doing exactly what he said.

Partners you have seed in the ground, and they are flourishing, and the rewards are going to be mind-blowing, what we are seeing flourishing now is leaving us truly in the fear of the lord which means in awe of him.... Here is a quick testimony of what has taken place in these 9 weeks:

So far, we have had **4** people filled with the Holy Ghost, **6** people get Saved, as well as **3** people rededicate their lives to Jesus, **2** set free from Meth and other hard drugs we are talking an instant sobriety, **9** set free from Smoking, as well as **2** set free from Prescription drugs. A Miracle of Cancer removed supernaturally, Lungs touched, breathing restored, many touches of healing, and much inner healing taking place.

One young lady which we lead to the lord told Pastor Wilma that she had been in church on and off all her life and she never knew she had to ask Jesus into her heart to be saved... WHOA, it is time to AWAKEN to HIM and his truths and order. Don't assume anyone understands salvation, make sure of it. For this young lady came up for to be delivered from cigarettes, and in the midst, I heard the lord say to my spirit, stop and ask for those who needs saved to be saved or rededication before you go any further. And he said to explain it.

So, we did so, and it was then the lady came to the front of the line standing with those others to be saved. And he not only saved her but delivered her from cigarettes as well. Glory to God!

We watched two young people high on meth be rushed to the service (one of the young ladies that came the previous week that was touched by a word of knowledge from the lord, She texted me saying I am driving 80 miles an hour from Oklahoma City to Clinton OK, they texted me during the service and ai was preaching and checked my phone for the time frame and seen the message which said this: I am bringing a couple of people with me that need to meet you we are trying our best to get there before church is out, please don't leave, I am obeying God and bringing them to you, please don't leave they are in need) They got there right at the very end of service during the altar time, in they came two desperate souls, barely hanging on to their lives, from all the loss and torment which comes from true addiction, not just playing with drugs but living a lifestyle which is a daily thing.

They rushed in broken and totally lost, both have lost their children, and truly themselves, with the one young lady, the lord began to share words of knowledge to them reading their mail, and as I had her grab my hands I began to hear the lord say unto me, daughter this one is just like you were when you came to me, she is broken past what she knows can be restored, she is fully lost, and damaged by her choices and others. She is at her total bottom, grab this one and tell her I can restore her children, as I did she yelled and grabbed me so tight I could hardly breath, as the lord ministered to her and delivered her from her addiction and herself.

Fresh breath began to be breathed into her and she was set free, to her amazement and shock she was instantly delivered. Life was brought back into her and he did the same for the young man. Both walked out of that church being touched by the savior and his true deliverance. For whom the Son sets free is free indeed.

We had the honor of helping this young lady with clothes and needs that she had for when I say she lost everything, I mean she had the clothes on her back. We also got to stand with her, and the Father had given her a prophetic word pertaining to her children. She for the first time two weeks later was given a drug test which came back clear in order to get a visitation with her two precious babies. Because of you the partners of this ministry, we were able to bless her with the ability to get toys and clothing for her children to take to her visit to give to her children and to show the case worker that she was doing all she could to become and fulfill all needed to start a stabile life for her children to come home unto.

Now the same young lady that brought these kids to us, when they all left church, they went on a mission to invite others to the service the following week, sharing with them what had taken place in their lives. She was led to contact a young lady and young man who lived in

Clinton, and they shared what Jesus was doing with them. This young lady said she had just gotten out of county, and she wanted to change, she didn't want the lifestyle anymore, and to pick her up she wanted to go next week. But unfortunately, before the night was over, these two precious souls were murdered. She instantly the following morning contacted Richard and I with questions, and not understanding why the lord would place them on her mind and have them invited to say they wanted to come to then be murdered that very night.

The lord had me to respond to her in this manner, I believe that the father had put them so strongly on your heart to get you to reach out to them. I don't know if you recall and I don't know if it was in the teaching in the Sunday that you were there, but sometimes were the only Jesus someone sees, meaning that which we present to them amen, you presented opportunity you caused her to think upon the Lord when you were speaking to her and sharing with her about to come to church amen, you caused her heart to begin to think upon Jesus amen. and I see the text that your sister posted and about how she wants to go to church, she wanted to change your life, she wanted these things to happen. I believe our precious Lord heard her cries of her heart and that in her crying out to him, she was saved. That is the grace and power of our living true God. His Mercy and His Grace.....

I believe you were instrumental in it, I believe that the father touched her right in the end, see the word says that he and he alone, knows the day of birth and the day of death for us all. (he didn't cause her death, but he knew the day that she would be at that her Life would end here on the earth) and so he knew to send someone that she would listen to, and I believe that the word says if you just confess Jesus, if you ask him, I believe you caused her to think up on him and ask him and revisit him for her life.

I believe the father is stirring your gifting's, you are a foot soldier for the Kingdom of God. I believe he is using you in this hour to be a carrier of his divine spark to bring souls into the Kingdom of God. He is adding to his church and he is using you as his voice to deliver his wooing unto the people to come and be saved and set on fire for him!

Another testimony we wanted to share: We had a lady come to us for which desired prayer, but before the lady got to share what she desired prayer for, the lord spoke to share my testimony to the family of how I was in 10 days healed and totally delivered from cancer and the tumor which was went from a 2.7 to a 1.7 to 0 and a clear biopsy in 10 days. And then he began to have the team all lay hands upon them and prayer and cancel every assignment of cancer and death, and release a miracle touch of Jesus Christ and life upon her, granting a word of knowledge to her, her husband, as well as her two nieces. BOOM this started a turning of points in lives and a true release of revival upon the services. This took place on Nov 5th and on Nov 24th this precious lady testified that week she went back to her doctor and

then ran every test including a biopsy and the test all came back cancer free! Supernaturally healed.

We are watching these that come each week that have been delivered and set free, come the following week with others with them, and them getting saved and adding to the church weekly. We truly are in revival.

We had one lady come two weeks later and her daughter had been murdered a few days previously, And the Father began to speak into her life and bring peace to her mind over this death of her precious daughter, setting her free from the torment of the murder, it is amazing to me to see what ever need is brought forth each week, that the lord has brought this team together working in unity and out of the team every week there is someone who had all ready in life been brought out and delivered and set on solid ground in the area which was presented before us that needed help and deliverance, in order to be able to pour out to the need. POWERFUL I must say!

We every week are watching the FATHER move, turn things around, do what was said could not be done, things which thought could never be is happening. Every week someone is getting saved, healed, delivered, set free, his miracle working power is here, his GLORY is pouring down upon us. People are coming in off the streets, and being touched, loved on, excepted, and delivered by his glory he is pouring out!

Another testimony came from the young man who came in and was instantly set free from addiction, he after only four weeks, do not even begin to look like the man who stepped through those doors four weeks ago, he told me yesterday that he ust to look forward to the weekends, so he could party, and he said now I can't wait for the weekends so I can go to church. He said he wanted to make a difference in others' lives the way we have in his.

In another service the week past, the altar call was for deliverance and freedom from the knives in our backs, from our enemies, from words delivered from family members, a call to come and allow him to heal and deliver ones from this, and set them into a place in order to be able to forgive and forget that which was done to them. The lord granted much needed inner healing that day, removing the knives and placing in their hands and exchange of the Sword of Truth and his word, Sword of the Spirit, and now what was done against them will be used for them. Freedom was delivered to the people that day. No longer carrying the weight of the burden of that which was done to them.

To God be all the glory! They are coming in one way but leaving testifying they were touched by GOD!!!! His glory is truly pouring upon his earth, and those in it.

The Restoration Power of God

Last edition we spoke all about the restoration power of God, turning your worst thing into your blessing, talked about how he desired to restore the years the locust had eaten and bring forth his released touch of promise into our lives. If you didn't read the last edition, please got back to the web page and do so, you will be so blessed. The picture you see to the right, it took 61 years in the making.

Richard has prayed since a child to find and know his biological family. He had a void in which was burning in him to know where he came from, his roots, who he looked like, what his parents were like, a real yearning, and a true pain in which for much of his life drew him into wrong things, drugs, alcohol, meanness, and a deep hopelessness of the void in him becoming whole. He longed with all in him to find his family.

He was grateful to his adoptive parents, and all they had done for them. But it was not the same, he filled the void in his adoptive parents' heart, for their longing of a Son, but his void, his longing was not filled, his void in his heart was not filled by his adoption. Well as you all know from last months edition where we shared about the restoring power of God for his children. How he was delivering the promises to us, and his goodness in the land of the living.

Well in September of 2019 for the first time every Richard meet his Sister and her family and all the Wilkerson side of the family at the family reunion they hold every year in Antlers Oklahoma. It was amazing to watch him interact with his family and them him. It was like in an instant of an eye all was healed, delivered, and made as if they grew up together. Instant bonding and a love like he could not explain. To see how much Richard looked like his uncles, and the see how much him and his sister Renee are, it was truly breath taking.

Picture on the top is of Richard and I with his sister Renee, husband Tim, and their only Daughter Krista and her two children Mason and Priya. As you can see from the picture it was a huge success. (picture on right lower is Richard with items) Renee blessed Richard with his mother's bible, as well as one of her Ruby Rings, and it was one of the most beautiful restoration I have ever witnessed in my walk with the lord these last 21 years.

We are excited about returning to Italy and will be producing Sparks To Ignite in Italian and blessing the people, as we are commissioned in this Journey to train them in the prophetic and moving into their giftings. The Father has also led us to reproduce the School of Prophets Volume one in both books and DVD in Italian and place in the hands of the Italian brother and sisters the cost of this reproduction and production is approximately \$1000.00 It is time to touch the world with the sound teaching on His mode of operations and Kingdom Structures and how to move in that which is in our DNA within us. Will you pray on sowing into this tour and the planting of these seeds into the people of Italy, and the heartbeat of our Lord Jesus. Total in which we are praying to raise is \$6000.00 to accomplish all the Father has laid in us to deliver to the precious people of Italy, DREAM BIG OR GO HOME!

Kristi and the Fire Tribe Team has been invited to go back to Italy in 2020 for a 10-day tour. Within that tour they will be touching, Naples, Rome, Venice, Mantova, Villafranca di Verona, and Patronage,

They are excited to be hosted by Apostle Domenico and Pastor Lidia from church Nuova Vita. In Mantova Italy, and Adriana Frost from Cavion Italy.

We are excited to host a mini School of the Prophetic in Cavaion, teaching upon hearing the voice of God and moving in the Holy Spirit and the giftings.

The team will be joining rapper Shoek and his manager David for a Youth event and hosting a day of mentoring sessions with the youth in the areas. For they are truly hungry for more. There are so many teens in which Shoek has taken under his wings, many have no parents, are homeless, were lost in drugs and alcohol, and it is our heart to stand and help mentor beside them.

With that said, we have hopes that the New program Freedom Steps can be reproduced and ready in Italian by that date in order to produce and sow this program into our brothers and sisters in Italy. We here in America have no clue how great we have it.

They do NOT have the ability for help as we do here in the states. In my prayer time I have felt the unction to sow into their deliverance and freedom by taking this program and placing it into their hands. We hope to be able with you the reader generously partnering with us be able to deliver 10 cases of books and several complete program kits which consist of DVD- or CD of 12 weeks of training lessons, leadership training, and the forms kits for the program.

Our cost for producing this would be approximately \$2000.00. Teamwork makes the dream work; won't you go across the nations equipping wit us by partnering to accomplish this mission?

This month's series we are delivering unto our precious partners is called Living Face to Face. We will be sending via email one session a month. This is a four-part series. Here is some about what you will get in Part 2 of Face to Face living in the intimacy with God. **Say with me:** Today I am going to have intimate relations with God today I am going to get past the hurt, today I am going to be taught, so I can bond and have true relationship of intimacy.

Ways of Face to Face Relationship realities that need awaken in us.

1. God Wants to be Close to me.

*The pillar of cloud moves towards the Tent of Meeting, where Moses has kept his **appointment with God**.* The depth of God's desire to spend time with me, and the price He has paid to do so is beyond my ability to comprehend. **Say with me:** I know He desires to be with me—too often, I move to meet Him hesitantly. **Today, I choose to take bold, firm steps towards God**

2. There is Always More of God to Encounter

Moses has a 'face to face' friendship with God. He speaks with Him in the cloud of His Presence. And yet, Moses is still dissatisfied with his current experience of God.

'Lord, show me your glory.' (Ex 33:18)

- There is always more of God to encounter; dare I, like Moses, request it—and what will happen when I do? *Lord, show me your glory, increase my capacity to bear it.*

Say with me: *Today I choose to go deeper and closer there is GREATER there is larger and there is MORE and it is mine, today If you have felt you had enough of God, REPENT for there is always MORE!*

3. Intimacy Involves 2-Way Conversation

*Moses shares his concerns with God, but he **also listens as God shares His own plans, thoughts, and feelings.** KEY*

There is a place of intimacy, beyond the self-absorbed prayer we have known, where we can **move from self-consciousness to GOD-CONSCIOUSNESS.**

- I wonder—when was the last time you listened to God as He shared *His* feelings and plans?

Say with me: *Lord, may I hear Your voice today, and every day, May I build in relationship with you on a balanced way, where I talk but where I listen even more than I talk.*

4. Must make a quality decision are you A Friend or an Onlooker—we Get to Choose (we must engage) en-gage
=occupy, attract, or involve (someone's interest or attention).

capture, catch, arrest, grab, seize, draw, attract, gain, win, captivate, hold, grip, engross, absorb, occupy

participate or become involved in.

The people of Israel stand at the entrances to their tents, watching in awe as Moses enters the Tent of Meeting.

The people of Israel were onlookers. **They saw the distant cloud of God's presence but did not hear the conversation.** All they knew of God's words were what they heard second-hand from Moses (Ps 103:7)

- We must ask ourselves, Am I content with being an onlooker while others get close to God? ...*I say, 'No'... I want to see You Lord; I want to hear Your voice for myself today and every day I don't want an event I want a daily encounter!*

Say with me: I will develop a life of going in refusing to be an onlooker, I am your friend.

5. Withhold, or Disclose my Inner World?

Moses does not hold back his thoughts, his grievances, his desires. His life is an open book to God. There is such bondage in which God's intent for us was not, when we live from a closed book mentality. We close our book with God and with others, believing in ourselves that God can only see what we let him such deception and such bondage. Bondage when freedom was paid for at such a high cost

I can open my real inner self to God because I am safe with Him. Nothing is hidden from God; He knows all about me anyway. His grace is the remedy for my weakness, His forgiveness the remedy for my sin.

- **God says, 'Come to Me as you are.'** (Heb 10:19-22) Will I reach for more of the intimate relationship with God that Jesus has paid the price for?

6. To Hunger or not to Hunger

Hunger: that gnawing ache on the inside of you; that sense of need that is not content until it is filled. **Hunger is an active state, for it results in you seeking out the object of desire that will satisfy your need. Moses and all named were hungry.** Hunger for God is the longing to encounter Him, to be with Him, and to be filled with His Spirit. We are filled when we pray, fast, worship it is the whole foundation in which we must be established on. **As prophetic people, we need to hunger and thirst after God.** When we are hungry for God and His Presence, we will do whatever it takes to get close to Him. **The place of intimacy is where we will catch, not only the revelation He wants to give us, but we will also catch His heart. Many of us want to be filled with the Spirit, we long to be close to God and see miracles happen in people's lives.**

When we hunger and thirst for God, we will seek Him, and when we seek Him, we will be filled and empowered. **It all starts with hunger.** Be looking next month for the continuation of part three of living face to face. You will receive emails as well with YouTube videos of this series.

We also learned that prophetic decrees enable you to take the promised land of your inheritance in Jesus Christ. Prophetic decrees empower one to walk in your destiny.

In volume 3, we are going to discover that today's decree's creates tomorrows possibilities! This volume will be very focused on our dream realm and bringing it into reality. Empowering us through decree's and establishment. Part of my heart is to empower people to live successful, productive daily lives. Empowered Living, it all starts with that which we decree and establish.

It is our hearts that this book will inspire you to begin making a lifestyle of prophetic decree's, to be empowered in your daily living and walk with Jesus. That it causes you to dig deeper into relationship with the Holy Spirit and the communication realm. It is the heart of the Highwalker's that you by utilizing this book as a tool and activation guide, will begin to develop a deeper intimate relationship with the Heavenly Father and begin to stand strong in the power of decrees.

In this edition of Sparks to Ignite, I felt the Heavenly Father say to be to place in the beginning of this edition a decree to the courts of heaven and show you an example of

which we can as children of God and with all legal authority take and enter into the courts of heaven. Mind you it is only an example but truly one you can enhance and use in your life.

I also felt that the readers of this edition might be going through some very strong battles, I know our family during this time is, and so is our nation. So, I sensed him leading me to lay out a decree and petition for us here pertaining to breaking strongholds, witchcraft, and all illegal activities we might be being attacked with by the evil one. I quote Illegal activities because he has trespassed many of us and this decree and petition will help us in once accord deal with such dealings.

We come together as a tribe today for our families, each other, and our nation and the nation of Israel. We come and we stand tall in your courts today oh righteous judge. we can declare – “I call forth the protection of God for you the reader, myself, my family & my Nation and for Israel. We never let our prayers or eyes go off of Israel. And today we petition against all the wiles and strategies of Satan! I call forth the purposes of God to be fulfilled in not just my life, but the lives of all the families of which read these books.

I call forth the sozo (salvation, healing & deliverance) of God to the bloodlines and our Nation and I declare that this tribe and all bloodlines of all such said people, and these Nations will serve & honor God!

Father rise up, rise up your leaders of this hour, bring them forth, let them not shrink back, let them rise boldly in confidence in you the grand supreme and righteous Judge that you are.

Bring forth Your leaders for our Nations and lead them Lord. Bring forth the priest of our homes and lead them lord. Protect our lives from the evil one! I say he is defeated, and he shall bow in Jesus Name. His legal rights were taken away and our legal rights are in place and we call upon those documents to be presented in the courts this day. Let Your Kingdom come, and Your will be done here on earth as it is in heaven!

Father strengthen us to hold our posts with passion and to always worship You no matter what! Teach us this day lord how to in all things, worship you. That in Worship is strength and today we boldly say, I worship You Lord!

I release the power of the Spirit of the Living God into our homes! I call forth the full awakening of each family, of each bloodline of promise. I call forth the destruction of its overlords of darkness and shadows of destruction. I say the tactics of the enemy

has not hold, and shall not be given place, we stand on our rights. I say we will not grab the hand of the enemy, but of our lord, we shall grab hold tight and not let go.

I command the foreclosing of all darkness on our home and the complete shattering of the enemy's intentions toward us, I call forth the release of the Rain of God. Let it rain, let it rain, open the flood gates of heaven for us your children.

Lord, I receive Your Anointing of Freedom, I command our full release from all demonic spirits and their influence. We shall not tolerate it any longer. We will not be likened to the people in Revelations, which you spoke to and said you had aught against for tolerating jezebel! We will not tolerate this principality in Jesus Name. For it is written you have given us all power and dominion and authority overall.

Eph 1:17-23 17[For I always pray to] the God of our Lord Jesus Christ, the Father of glory, that He may grant you a spirit of wisdom and revelation [of insight into mysteries and secrets] in the [deep and intimate] knowledge of Him, 18 By having the eyes of your heart flooded with light, so that you can know and understand the hope to which He has called you, and how rich is His glorious inheritance in the saints (His set-apart ones), 19 And [so that you can know and understand] what is the immeasurable and unlimited and surpassing greatness of His power in and for us who believe, as demonstrated in the working of His mighty strength, 20 Which He exerted in Christ when He raised Him from the dead and seated Him at His [own] right hand in the heavenly [places], 21 Far above all rule and authority and power and dominion and every name that is named [above every title that can be conferred], not only in this age and in this world, but also in the age and the world which are to come. 22 And He has put all things under His feet and has appointed Him the universal and supreme Head of the church [a headship exercised throughout the church], [Ps 8:6.] 23 Which is His body, the fullness of Him Who fills all in all [for in that body lives the full measure of Him Who makes everything complete, and Who fills everything everywhere with Himself]. AMP

We will walk in the power of Your Release and will measure Your Depths and be raised into Your Heights, for You are awakening all weary hearts and shaking them free from disillusionment and captivity. We receive the Spirit of hope! We receive the fullness of the Spirit of Adoption in which we were grafted into you with.

Awaken our hearts from the bondage of loss by awakening and refreshing our hearts and minds. I renounce the acceptance of loss and lack, and I receive the outpouring of your Spirit upon us. I say we are redeemed from the curse of lack; we shall not let our minds redraft us into what you have set us free from.

I release our family's lives into Your care Lord and receive your abundance for us. I repent of following whims & memories of hardship to measure all else by. We receive and call forth Your Shekinah Glory to rest upon us and to make the way through into full release and salvation."

I command the full release of my family and all families in which are reading this book, from the effects of *occult practices* and all curses and oppressions on this Land. I demand our safe passage out of these dark passageways and doorways of darkness that our souls had become entrapped in through laws unleashed upon the Land and its inhabitants.

I break the power of all disobedience, rebellion, animosity, divorce, disease and sickness off every person, I call forth FREEDOM a Fresh WAVE of FREEDOM, not freedom as the world gives, but your freedom, the freedom that whom the son sets free, is freed in deed.

I call forth the Fire of God to be re-ignited in the hearts and souls of the people and of their blood lines and our Nation. Spark and Ignite us fresh oh Father we pray! Let the fire fall, let your wind blow, let your glory come down! Let life and life more abundantly in which you said as child of you, is ours! I speak life, life, life let life be sparked in your people this day Father.

I speak forth Life and Release for us and our family from all fabrications and false foundations poured out upon cursed land in this nation designated by the enemy for his vengeance against this Land.

I boldly and in confidence, declare this land is his land, that every step our feet take upon this land is marked for him and him alone. Yahweh this is your land!

I cut off all ties and agreement with the past and its grip and hold over our thinking and understanding, I speak forth our 'release', I curse the curses against us. I say let the curses be broken let the lineage of Jesus Christ come. Where Generational Curses were, Generational Blessings are now established and in flourishing.

I break off the power of disappointment and broken dreams, betrayal, and I lay aside all agreement with a victim mentality. I decree and believe that myself, my family, your family, are victors and overcomers who will no longer be held back by the lies and torments of the past.

Today say with me, past is gone, future is here, I am the future and the future is NOW! Shout for his glory shall fill the earth and it shall come forth in measures beyond our thinking. The blockades of the past are removed this day, say with me I am free!

I break off the chains that held us bound to past exploits, defeats, success, position within the realms of darkness. I declare that we will no longer allow the past to hitchhike on our backs nor will it cause us to go out of our way for it.!

I break all ties with the past and its occupation in our thoughts, both conscious and subconscious, I cut off all attachments and false identity resulting from the past and all it entailed.

Woo-hoo, it is a great day to be alive and well living in the future.

I ask You Father to cleanse and renew our hearts, minds, and remove the spiritual blood clots to our hearts and minds. I break off all ungodly ties and mindsets and strongholds. I repent of disobedience & carnal living. Cause me to grow into the fullness of seeking first Your Kingdom & righteousness Lord so that all else will be added unto me.

I renounce and cut off all agreement with all oaths, all occult activity, all criminal activity, all lies and deceit, all addiction and all ungodly soul ties. This will no longer rule in homes and in our land, we are taking back our nation one heart one freedom at a time.

I break agreement with rejection and abandonment and victimization upon every one of the readers of this legal documents in which I present the court today.

I declare that: We are a new creation in Christ Jesus. For it is written in 2nd Corinthians 5:17, I renounce and break agreement with all false identity, and speak truth of We are a new creation, behold all things, not some things, all things have become new, and I declare that We each are hid in Christ Jesus and we are one with Him.... we are bound together in a spirit of unity and agreement by His blood.

I refuse agreement with all entitlements from participating in evil. I break all agreement with death, and all the cause and effects of Baal, Jezebel and the demonic trio of evil, In Jesus Name and in right channels of authority do we make this decree!

Today we say unto every reader, be sparked and ignited, be free. Let his glory fall and his fire come, we shall ignite the world one decree at a time. You have been given the weapons of choice, your voice, own it!

We need to always remember that a **decree** is an official order issued by a legal authority. A **decree** is taking God's words and speaking it out. We have been given the authority from Jesus to make these **decrees** into our realms of influence and as we do it, we begin to create the will of God in our life in the spiritual realm.

As kings and priests, we have been called to rule and reign with Christ (Rev 5:10). We have been told to "... speaking to mountains and command them move into the sea ..." (Mark 11:23) and to heal the sick – not pray for them (Matt 10:1; Matt 10:7,8). Declaring the word of God in faith is especially powerful. In Isaiah 55:11 God said, "My word shall not return void but accomplish all it is sent forth to do." Joel 2:11b says "For strong is the One who executes His word" – once you have a revelation of that astounding statement, you will decree with great confidence. Therefore, when we stand boldly and use the authority that is ours in Jesus' name ("Lord, even the demons are subject to us in Your name" Luke 10:17) then we too can expect significant results.

As you decree God's word and will, the awesome power of the Holy Spirit is released to bring it to pass ...

As we begin reading here in Sparks to Ignite three, you will find yourself on a 60-day journey of this exact thing of a wind of prophetic decree's that the Father planted in the heart of Kristi to decree not only on behalf of herself but for your life and the lives of all who read this book.

We hope you have read Volume one and two of Sparks to Ignite, if not go grab that one as well, each day will fill you full of the rhema, and prophetic word of God equipping you to start your morning off right and filled with the power of decrees. In this book, I will share with you the word, an exhortation, prophetic decree, and then an activation. If you will study these truths and apply them to your life, you will see miraculous changes in your life. You will partner with God to advance His kingdom especially as it concerns your ministry and sphere of influence. This book is a tool to use to learn how to begin a lifestyle of being a living decree!

Here are some Bible Verses about the use of decrees:

Job 22:28 "You will decree a thing and it will be established for you"

Isaiah 44:26 "God confirms the word of His servant ..."

Proverbs 18:21 Death and life are in the power of the tongue, and those who love it will eat its fruit.

Isaiah 55:11 God said, "My word shall not return void but accomplish all it is sent forth to do."

Decrees are a powerful daily tool we must be using. Your mouth is your weapon of choice. Open your mouth this day and begin to Prophecy and begin to Decree, for the word says in **Job 22:28** *You shall also decide and decree a thing, and it shall be established for you; and the light [of God's favor] shall shine upon your ways. AMP* Last but not least, I want to share with you this scripture from **Jeremiah 33:3** *Call to Me and I will answer you and show you great and mighty things, fenced in and hidden, which you do not know (do not distinguish and recognize, have knowledge of and understand). AMP*

Calling unto him, is a way of decree... as we choose to call upon him, he will begin to answer and show us great things, things in which we did not know, did not understand, and then we place action to that and begin to decree that which he shows up and watch it become reality, to be established by him.

I want to strongly encourage you to be real with God over these next 60 days and real with yourselves. No façade needed. Be free to be you. Talk with him, like you and I would talk. Challenge yourself and let the daily sparks challenge you to go deeper to expand yourself in him, to even open yourself up to him in a way you might not experience with him before or even known it was available to you before. Go into these next 60 days expecting great things to be ignited into you, and they shall be ignited not only in you but out of you onto others!

So now we welcome you to join us on this next 60-day journal of prophetic decree that will shift your life. Remember this is just Volume 3 we have plans of publishing 4 volumes this year if not more. Keep an eye out on our websites YOU CAN PREORDER NOW @ www.KristiHighwalker.com & www.freedomfireministry09.com

The Highwalkers are excited to announce to you that they are in the midst of creating a 12-step program called Freedom Steps, dealing with and overcoming Life Controlling Roots. Program available projection date is Jan 2020.

What we pride ourselves and this program on is it gets to the roots of things, I knew I was a drug addict, but I didn't know is why I became a drug addict. What was the true ROOTS behind my addiction?

See addiction wasn't the real problem, it was the trauma and rejection that was the real issue behind why Kristi ever became addicted. It was her abandonment issues and loss that created the need to escape her realities in which she lived in, leading to a life of addiction to cover up the roots.

See if you never get to the true ROOTS you never truly get free. The word says whom the son sets free is free indeed. Why because he is a ROOT working God.

UPDATE ON WHERE YOU OUR PARTNERS SENT BOOKS THIS LAST THREE MONTHS: We were able because of our faithful donors to send the Sparks to Ignite book into 3 transitional house, one county jail, and into the lives of all at the Revival in Clinton Ok. We donated about 5 cases total glory to God!

We are so excited in that which the Father has shared with us to do with Sparks to Ignite Volume 1. The Father shared with us in back in the imagination phase of this book and all the coming forth volumes, that his pulse upon this book was to equip his children. That this book would ignite one's daily walk and prophetic call. It is unique unlike other devotionals. For it not only gives one a mini daily study but teaching and activates one into prophetic decree's over their lives.

The Fathers heart is to get these books into Jails, Prisons, and transitional houses, to be a tool used to affect the lives to empower them into the flow of his heart and the value of the weapon of choice he granted us, our voice!

This is where we need you our amazing partners and financial supporters to join with us in this mission. We are in touch with a ministry in Oklahoma as well as three ministries in Kansas who operate in Prison Ministry and Transitional houses. And it is our heart to begin to supply Sparks to Ignite behind the walls and in houses of ones coming out of behind the walls.

Richard and I are personally involved and partnered with each of these ministries and there is a hunger inside the prisons and even city jails, that we need to be tapped into and feeding. What better way than to bring Sparks to Ignite into their lives. In order to do this, we need your partnership. For not all can go, but you can send us, you can send this book and following volumes with us. Prison ministry is in our DNA and we want to establish Kingdom principals within the walls and out.

In the last part of September, we will be going behind the walls in Topeka Ks, and On Oct 5th we will be at an event hosted by a ministry in which equips not only ones coming out of prison but the children of those locked up. Both ministries we are involved with these dates have a transitional house, and we would like to at least be able to take a case to each house.

This is where we need you! Wont you sow seed into this pulse of God today! In the memo place Sparks behind the walls and out and 100% of the donation will be to deliver these books. We hope to deliver several cases a month behind the walls and in transitional house and county jails all throughout Oklahoma and Kansas.
