# SPARKS TO IGNITE VOL2

*Planting blessings with your mouth.*

The Highwalkers are very excited to begin promoting Kristi's newest book which is hoped to hit amazon in September. This volume will help you begin to plant blessings with your mouth.

As we learned in Sparks to Ignite one, there is power in prophetic decrees and they will change your life forever. We learned how to partner with God in accomplishing things on the earth realm by using the power of choice which in in our voices. We also learned that prophetic decrees enable you to take the promised land of your inheritance in Jesus Christ. Prophetic decrees empower one to walk in your destiny.

It is our hearts that this book will inspire you to begin making a lifestyle of prophetic decree's. That it causes you to dig deeper into relationship with the Holy Spirit and the communication realm. It is the heart of the Highwalkers that you by utilizing this book as a tool and activation guide, will begin to develop a deeper intimate relationship with the Heavenly Father and begin to stand strong in the power of decree's.

We need to always remember that a **decree** is an official order issued by a legal authority. A **decree** is an official order issued by a legal authority. A **decree** is taking Gods words and speaking it out. We have been given the authority from Jesus to make these **decrees** into our realms of influence and as we do it we begin to create the will of God in our life in the spiritual realm.

**A declaration** is a formal, emphatic or deliberate statement or announcement. There will always be many things we *ask* God for; His mercy, grace, blessing, forgiveness etc. However, as kings and priests we have been called to rule and reign with Christ (Rev 5:10).

We have been told to "... speak to mountains and command them move into the sea ..." (Mark 11:23) and to heal the sick – not *pray* for them (Matt 10:1; Matt10:7,8). Declaring the word of God in faith is especially powerful. In Isaiah 55:11 God said, "*My word shall not return void but accomplish all it is sent forth to do.*"

Joel 2:11b says "*For strong is the One who executes His word*" – once you have a revelation of that astounding statement, you will decree with great confidence. Therefore, when we stand boldly and use the authority that is ours in Jesus' name ("Lord, even the demons are subject to us in Your name" Luke 10:17) then we too can expect significant results.

**As you decree God's word and will, the awesome power of the Holy Spirit is released to bring it to pass ...**

The Holy Spirit speaks in prophetic communication to give His people "words" to decree.

Prophetic communication may come in many ways and forms. A primary way the Spirit communicates is by flowing scripture verses or key phrases from the Bible to your mind as He did with Jesus. The Holy Spirit also communicates through dreams, visions, trances, a still small voice, prophetic words, the audible voice of God, angels, and various other prophetic experiences and encounters.

As we begin reading here in Sparks to Ignite two, you will find yourself on a 60-day journey of this exact thing of a wind of prophetic decree's that the Father planted in the heart of Kristi to decree not only on behalf of herself but for your life and the lives of all who read this book.

We hope you have read Volume one of Sparks to Ignite, if not go grab that one as well, each day will fill you full of the rhema, and prophetic word of God equipping you to start your morning off right and filled with the power of decrees.

In this book, I will share with you the word, an exhortation, prophetic decree, and then an activation. If you will study these truths and apply them to your life, you will see miraculous changes in your life. You will partner with God to advance His kingdom especially as it concerns your ministry and sphere of influence. This book is a tool to use to learn how to begin a lifestyle of being a living decree!

## **Prophetic Encouragement**

Matthew 6:10 is where Jesus teaches us to pray, *"Thy kingdom come, thy will be done on earth, as it is in heaven."* In this simple prayer-sentence, Jesus gives away a lot! He is telling us that everything present in the Kingdom of Heaven is available for us now, here on earth.

Job 22:28 says, *"You shall decree a thing, and it shall be established for you; And light shall shine upon your ways."* By use of the word "shall," this verse is actually commanding us to decree. It also comes with a promise that when we do, those things "shall" be established for us.

Decree your healing, decree emotional stability, decree financial security, decree peace, decree your destiny! Whatever it is that you have been longing for from Heaven, decree it!

## **Here are some Bible Verses about the use of decrees:**

"You will decree a thing and it will be established for you ...." Job 22:28

"God confirms the word of His servant ..." Isaiah 44:26

Death and life are in the power of the tongue, and those who love it will eat its fruit (Proverbs 18:21).

Isaiah 55:11 God said, "My word shall not return void but accomplish all it is sent forth to do."

Decrees are a powerful daily tool we must be using. Your mouth is your weapon of choice. Open your mouth this day and begin to Prophecy and begin to Decree, for the word says in Job 22:28 You shall also decide and decree a thing, and it shall be established for you; and the light [of God's favor] shall shine upon your ways. AMP

Last but not least, I want to share with you this scripture from Jeremiah 33:3 Call to Me and I will answer you and show you great and mighty things, fenced in and hidden, which you do not know (do not distinguish and recognize, have knowledge of and understand). AMP

Calling unto him, is a way of decree... as we choose to call upon him, he will begin to answer and show us great things, things in which we did not know, did not understand, and then we place action to that and begin to decree that which he shows up and watch it become reality, to be established by him.

So now we welcome you to join us on this next 60-day journal of prophetic decree that will shift your life. Be looking for Volume 2 release this month. Remember this is just Volume 2 we have plans of publishing 4 volumes this year if not more. Keep an eye out on our websites [www.KristiHighwalker.com](http://www.KristiHighwalker.com) & [www.freedomfireministry09.com](http://www.freedomfireministry09.com)

*The Highwalkers are excited to announce to you that they are in the midst of creating a 12-step program called Freedom Steps, dealing with and overcoming Life Controlling Roots. Program available projection date is Jan 2020.*

*What we pride ourselves and this program on is it gets to the roots of things, I knew I was a drug addict, but I didn't know is why I became a drug addict. What was the true ROOTS behind my addiction?*

*See addiction wasn't the real problem, it was the trauma and rejection that was the real issue behind why Kristi ever became addicted. It was her abandonment issues and loss that created the need to escape her realities in which she lived in, leading to a life of addiction to cover up the roots.*

*See if you never get to the true ROOTS you never truly get free. The word says whom the son sets free is free indeed. Why because he is a ROOT working God.*

*Look for all upcoming updates in near future*

The prison to the pulpit is the live story about transformation on the life of Kristi Highwalker. A woman who *experienced 8 major prisons from the year 1990 to the year 1998.*

You will hear me quote often in my teachings “prison didn’t break me, it made me”! In this book I share with us my life story and how I came from Prison’s to the Pulpit...

Note I said Prisons... because the last prison I ended up at was Jail in 1998, but it was not my first stretch in Prison... Though it was my first stretch in Jail...

See there is many things that can take place in a person’s life to cause them to be in Prison, the only difference between these prisons and jail is their bars are invisible....

The prisons we are going to journey through on this book of my life are:

1. **Prison of Abuse** Both mental and physical ( I was a repeat offender)
2. **Prison of Death** of a mother at the young age of
3. **Prison of Divorce** (I was a repeat offender)
4. **Prison of loss** of children and identity Crisis that prison creates
5. **Prison of Addiction** ( Meth) and Codependency
6. **Prison of Rape**
7. **Prison of Abandonment and rejection from one’s father...** (left me always longing for approval and acceptance, and searching for one to love me.. A father loves settles a daughter especially and when one does not have that, they are constantly on a mission for approval and acceptance and attention even if it is the wrong kid...
8. **Prison of Jail** I served 1 year on a 7 year sentence...

I want you to understand a few things first about prisons. Prison causes and identity crisis in one’s life, it changes you, you’re never the same, It makes you so much more aware of certain things in the most negative way.

It deprives you of so much, you form this mark that sticks with you. Prison forms codependency, where one cannot make a decision without another telling them what to do. And how to do it. They lose control of self, you lose your rights, you lose YOU. BUT the good news is: Jesus comes to set the captive free.

The word says in **John 8:36** stats **That whom the Sons sets free is free indeed.** **2 cor 3:17** states **where the spirit of the Lord is, there is Freedom....** I found my REAL Freedom being locked up in Jail.... Serving a year on a 7-year sentence, I found more freedom than I had ever experienced.

The bars were broken and **Rom 8:28** came to pass. **He turned all to my good**, he restored me to all that was broken, taken, and lost. I am going to share in the book step by step how I went from the Prison to the Pulpit.

Come let the Father share Freedom with you today, I was delivered and set free.... I never touched that which took my previous life again... I through Jesus, became a whole woman set on fire for him and sharing him everywhere I go...

Even returning to the same courthouse with the same Judge who sentenced me to 7 years, who thought there was no hope for me, to many years after setting in his court room sharing my story of HOW JESUS saved me and making a difference to those in Drug Court... **See PRISON DID NOT BREAK ME, IT MADE ME....**

## THE PRISON TO THE PULPIT

The prison to the pulpit we have hopes that it is finally able to hit production. It is at the Editors now with hopes of publication by September or November.

# FROM THE DESK OF KRISTI HIGHWALKER

## *His Justice is coming!*

*As an Apostolic and prophetic preacher, Kristi's passion is to be a catalyst, bringing a 'NOW' word from God to impart timely encouragement and breakthrough to churches, businesses, organizations and individuals. Kristi has a unique gift of equipping in the areas of hearing God's voice, Prophecy and the Apostolic and Prophetic Ministry.*

*She is passionate about helping people to encounter God, discover their identity and destiny, and grow in their spiritual gifts. To walk and transform as the overcomer.*

We have felt a strong SHIFT in our SPIRITS and DNA... We have heard him speak that the land is about to be HIT with HIS JUSTICE in ways not even imagined yet. He told me this morning to pay very close attention to what he is doing.

Only God can take trauma and turn to triumph and his triumph is multifaceted. I taught in the School of Prophets class not long ago, about A prophet is often called to suffering. Deep dealing at the hand of God will often be needed to prepare the prophet for receiving the word of God.

Sometimes he may actually have to experience beforehand, something of what his people will experience.

**\*\*\*A messenger who has not been willing to move into close combat with reality, with the pain of the downtrodden, will not be able to bring a message of relief and healing.\*\*\***

A painless message cannot ease the pain. A painless message cannot carry a burden. A true messenger of the Lord begins every voyage at the Cross. Each piece brought forth from his mouth is marked by the Cross.

We just unlocked another hidden area of him inside of us, he showed us things we knew not, remember Jeremiah 33:3 cry unto me and I will answer and show you great and mighty things you knew not of. I knew I was called to Isa 61, Luke 4:18, knew I was called to release the move of restoration he spoke to me this after my daddy died, he spoke to me through this he would use our lives to bring forth his call to Justice in the coming days.

If you want God to vindicate, don't retaliate! Vengeance is HIS and HIS alone Handling betrayal the correct way, his way is vital. His word says he will repay. His word says do not be overcome with evil but overcome evil with good. It is something we all must fully understand, betrayal from Judas took place right before the cross, the Father shared with me this morning something big is coming and it has to deal with Justice upon our land and the hearts.

When we do things God's way, He restores what the enemy stole and promotes us to another level of influence. This is what has taken place.

RUTH walked beside Naomi on a road that stretched across the high, windswept plains of Moab. They were alone now, two tiny figures in a vast landscape. Imagine Ruth noticing that the afternoon shadows had lengthened, then looking at her mother-in-law and wondering if it was time to find a place to rest for the night. She loved Naomi dearly and would do all she could to care for her. Through them we see the sacred relationships God is calling us to. Ruth and Naomi teach us that sacred relationships have God at the center. And when we keep our eyes vertical first, we will then see His amazing love woven horizontally into our relationships. And because this love reflects the very nature of God, we will see His love, grace, steadfastness, compassion, patience, courage, forgiveness, truth, and strength played out within our relationships. They were each deeply committed to the relationship and made a choice to be each other's family. Each took responsibility to contribute to the fruitfulness of the relationship. Within the safety of the relationship the two women felt free to express their ideas and perceptions in honest and courageous ways, even when they disagreed with one another. They expressed their feelings of loss and grief and wept together. They pooled their wisdom to help Ruth navigate the foreign culture she found herself in. They took turns caring for one another. Both used their individual knowledge and strengths to the benefit of the other.

It is time for the greatest Awakening to hit the earth realm. We are coming to release the now word of the lord into the land. Awakening is here and now. Come join us for two service of the Glorious outpour FROM the King of Kings and Lord of Lords unto us all.

We shall experience miracles- Signs- & Wonders!

This event is dedicated to women who desire to give, support, encourage, bless and impart into other women. We thrive to walk with a Naomi's Posture before other women.

This means that we will share knowledge, wisdom and love that propels other ladies into destiny and purpose.

We realize that our gifts aren't for us. They're for our sister, mother, friend, aunt, sibling and daughters. We are mentors and mentees walking with a distinct posture. A Naomi's Posture.

I am very excited to have the honor of being a mentor at this amazing event this year.

## The Restoration Power of God

Whatever the enemy has tried to take away from you, God wants to restore it. God wants to make it better than before. That's the kind of Father He is. Every day we have choices put before us. We can be tempted to get hurt, wounded, or depressed. We can complain and remain in the same awful condition. Or we can praise God and be raised up.

One of the first things the enemy will try to steal from us is our joy. He wants to get us sad, sorrowful, and oppressed. Remember what it was like when you first were saved? There was joy unspeakable. God doesn't want us to lose that joy! Nehemiah 8:10 tells us, "The JOY of the Lord is your strength." It is important for Christians to have joy in their life! If you don't have joy, you don't have any strength.

Don't stay in that valley of despair and depression. Don't allow what people say to control you. You control your own destiny. Maybe everyone isn't going to be thrilled about you. But God is. You are who God created you to be. And God likes you just fine. He's thrilled about you!

Where does joy come from? We tap into joy by hanging out with God! When we are in His Presence, we come out with a new spring in our step, a new song in our heart. When we're hanging out with Him, we take on His characteristics.

And God is happy! Psalm 2:4 says, "He that sitteth in the heavens shall LAUGH." When we're hanging out with God, we start acting like Him. We're full of joy, full of peace, full of rejoicing.

You may have been through some trouble, but God is the One Who brings restoration. Isaiah 61:7 says, "For your shame ye shall have double; and for confusion they shall rejoice in their portion: therefore, in their land they shall possess the double: everlasting joy shall be unto them."

In The Amplified Bible, this verse says, ". . . You shall have a twofold RECOMPENSE. . . ." The word recompense is the same word that we get worker's compensation from. You know what worker's compensation is for? If you get injured on the job, they pay you worker's compensation.

God is saying, "You're working for Me. You got hurt in the service of the Lord. And I'm going to give you worker's compensation. I'm going to give you double for your trouble." Glory to God!

Joel 2:25 says, "I will restore to you the years that the locust hath eaten, the cankerworm, and the caterpillar, and the palmerworm." Some of you have been down with a lot of "worms" in

your life. Some of you have lost years to a bad marriage. Some of you have lost years to health problems. But the Lord put something in my heart. He said, "My mercy is greater than your mistakes, and I am a Master at fixing any disaster."

God loves us that much. Whether we've done things that are our own fault, or whether it is the enemy who has stolen from us, God is still the Restorer!

God wants you to have that dream fulfilled. He wants you to have joy. He wants you to have health in your body. God is a good God! And He's got good things in store for us. Don't let the devil steal anything from you. Declare restoration over your life! Take what belongs to you, in the Name of Jesus!

I want to share with you readers here today, that the Father is coming to the earth realm with Restoration and Justice, in a manner the earth has not yet seen. He told me as I was writing this article to get back out a word, he gave me after my daddies funeral last year. After restoring us a few months previous after 20 years of rejection from my Daddy. Here is that word and let's apply it and see where He takes us.

The Father began to speak to me this morning that he has set me in a season to be talked about, BUT NOT like in seasons past, BUT in this season, it would be about *WHAT THE LORD HAS DONE IN MY LIFE OF RESTORATION....* and that it would touch lives, and overtake harden hearts, broken dreams, broken homes, and all forms of destruction....

That the testimony of HIS wonderful work of RESTORATION and RECONCILIATION would cause a SHIFT of *"Weeping may endure for a night but joy cometh in the morning."*-Psalm 30:5 He said the JOY COMETH! That the JOY cometh 7-fold all that sorrow touched.... That the ripping of that which sorrow tore was over, and the repair and the return is here, and with it comes 7 times in Joy of that which sorrow had stolen. That it would come swiftly, and it would come with such as a rushing river.... That the legacy in which is being brought is great...

He began to say to me daughter, It is my heart in this hour that you pray for the broken, the damage, the forgotten, the thrown away families, relationships, homes... I am coming back after My Word over them, I am delivering doors of opportunities for restoration in lives, this being why you will be talked about more than you have ever been in your life ( now let me tell you that is a lot of talking right there) to give ones hope, to give ones a spark to desire again, to open the closed hearts, some have closed the door to restoration from hurts and pains, some have had the door closed to them and stopped believing, this is why I need you talked about, this is exactly why I moved in your life exactly the measure I did as to touch a multifaceted way...

Now I seen this word activate in my husband's life, I will share more in a minute, but today, if you have a broken family, relationship, dream, and want prayer for restoration, want that

river to come to you, want to hope again, believe again, and want HIS encounter with you in your area of need of restoration and reconciliation... place a prayer request on our webpage [www.freedomfireministry09.com](http://www.freedomfireministry09.com) and get ready for the river to flow over you and a SHIFT to come and a JOY to HIT your life

I am here to tell you every place of sorrow is being touched in your life right now, sorrow is not the end.... He is touching those places in this hour and bringing RESTORATION.... BELIEVE for it is SO... The Goodness of the Lord is coming to the land of the living....

Let me give an analogy here: We've all seen restored cars. Restoring old cars involves stripping away old metal or paint with strong chemicals and lots of rubbing. This reveals all the old scratches, gouges, and spots on the piece and parts that need completely cut out or replaced. MORE sanding and grinding takes place next— some are in need of putty for holes to be filled, others in need of dents pulled out with powerful suction, others might need a few completely new pieces, once done the metal is rubbed with coarse sandpaper in order to smooth out its imperfections. Then they mask the car and prepare for the new paint, then the car is ready to receive a new paint color job and be restored to NEW.

New glory can be given to old cars, and God can do the same thing with us. He can put new glory inside an old life, but He must first strip away our old nature and sand away our sinful strongholds.

Today he spoke so plain to me he said, the brokenness is turning to wellness this day. I have been restoring them, but today now is the time to , Get up, grab your future that is in you It is time to renew-rebuild-restart- to Ignite the future in you!, Today new glory is being placed old nature and the spirit of slumber is being stripped away.

The Father said to Ignite and Revitalize your life and let yourself be motivated to unite and move in a new GEAR! Can you see that now a new GEAR is being handed out, stripping away of neutral and reverse, he is handing out FORWARD GEAR.

This reception of this new gear will bring forth the breakthrough you have been crying out for, it is here, it is NOW this is your DAY! I am here to prophesy to your hearts, this land and region There is Greater, there is larger THERE IS MORE AND TODAY brokenness is turning to wellness Your NEW GEAR is YOURS, GET UP! **The future is in you, you are the future, and future is NOW, and it is time to own it! Get Up, it is your time.**

What the Father is revealing in this hour will shake this NATION and YOUR bloodline... Someone say SHIFT!!!! What he is touching in your life right now is WAY BIGGER than YOU and it will affect the droves of PEOPLE he has ordained it to see it and hear all about it.... He has ordained eyes to see, ears to hear and mouths to share all about what they see of your

life in this hour to affect the land with HIS goodness, for it is so great, THEY KNOW it was ONLY GOD.... And it will OVERTAKE all who see, hear, talk about it!!!! GLORY!!!!

I really want to encourage everyone who reads this post. When the lord does something in your life, never take it at surface level. Even though surface level is amazing, go before him, seek him, go deeper....

I have been going before the lord on every second on the past year with every portion of restoration with every person of the path in the restoration. And let me just tell you, I am left totally undone! But a good undone! Gathering way more than I ever dreamed, yes, it's been emotional, but I wouldn't change it, yes, I've cried and probably will again.... but I am gaining so much healing and so many awe moments and so much depths that had I not taken this time to search all this out, man I would have missed so much.

Now here I am one year later, watching the very word God gave me manifest and touching the life of my husband Richard, he after 61 years was restored to his biological family in Jan of this year, he talked to them on the phone, texts, and tons of Facebook messages, but it is one thing to text, call, and another to meet in person. He is this month meeting his biological family for the first time ever.

Who is it that gave up, see Richard Mother passed last year, you would have thought that was the end of it, but NOT WHEN GOD HAS a promise? The DNA match we have had for a few years, but it was said it was not so when the precious lady Sheran went the family ( no one knew about him), BUT WHEN GOD SAYS IT IS TIME, you can not stop it, he literally had a family member ( Richards Great Niece) do a DNA and BOOM out comes match to Richard.

You cannot deny DNA! And four days later, after the initial shock wore off the family contacted us! Welcoming him in with open arms. It has been a beautiful experience, one that has much more to come, but it is our hearts that this article gives others hope and courage to believe they too shall see the goodness of God in the land of the living.

***Ps 27:13-14*** *I would have despaired had I not believed that I would see the goodness of the Lord In the land of the living. <sup>14</sup> Wait for and confidently expect the Lord; Be strong and let your heart take courage; Yes, wait for and confidently expect the Lord.*

God wants to restore everything to you. (Remember God is sovereign ruler).

***John 10:10*** *"The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly."*

**God is the Restorer of the lives of people.**

**A. God brought restoration in the life of Joseph.**

1. God gave him a vision.
2. He boasted of the vision.
3. He was thrown into the pit.
4. He was cast into the dungeon of the prison.
5. Then he was raised to the palace.

**B. God brought restoration to the life of Moses.**

1. Moses was groomed to be a leader -- in line to be the pharaoh.
2. God gave him a vision of being a deliver of his people.
3. He became a shepherd.
4. He was restored to position of leadership.

**C. God, the Father, restored life of Jesus.**

1. He was born to be king of kings.
2. He was born in poverty.
3. He was oppressed.
4. He was accused and sentenced to be crucified.
5. Died, was buried, but raised to be King of kings.

**Job lost his possession, his family, and his health to the devil, but God restored 2X as much to him.**

**Job 42:10** *"And the LORD turned the captivity of Job, when he prayed for his friends: also the LORD gave Job twice as much as he had before."*

**Job 42:12** *"So the LORD blessed the latter end of Job more than this beginning: for he had fourteen thousand sheep, and six thousand camels, and a thousand yoke of oxen, and thousand she asses."*

God is our Restorer today. He desires to touch everything every piece of our lives in which needs restoration and justice! Today I am here to charge you to believe... He is coming, he is bringing restoration and reconciliation in all facets of our lives if we will just believe.

**A. Of wealth and prosperity...**

1. **Joel 2:21** *"Fear not, O land; be glad and rejoice: for the LORD will do great things."*

3. **Joel 2:26** *"And ye shall eat in plenty, and be satisfied, and praise the name of the LORD your God, that hath dealt wondrously with you: and my people shall never be ashamed."*

**B. Of our souls: the mind, will, emotions.**

***Psalms 23:3*** "He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake."

**C. Of our health:**

***Jeremiah 30:17*** "For I will restore health unto thee, and I will heal thee of thy wounds, saith the LORD; because they called thee an Outcast, saying, This is Zion, whom no man seeketh after."

1. ***Isaiah 58:6*** "Is not this the fast that I have chosen? to loose the bands of wickedness, to undo the heavy burdens, and to let the oppressed go free, and that ye break every yoke?"

2. ***Deuteronomy 30:3*** "That then the LORD thy God will turn thy captivity, and have compassion upon thee, and will return and gather thee from all the nations, whither the LORD thy God hath scattered thee."

3. ***John 8:36*** "If the Son therefore shall make you free, ye shall be free indeed."

**E. Of a right spirit in us.**

1. ***Psalms 51:8, 10*** "Purge me with hyssop, and I shall be clean: wash me, and I shall be whiter than snow. Create in me a clean heart, O God; and renew a right spirit within me."

2. ***Ezekiel 36:26-27*** "A new heart also will I give you, and a new spirit will I put within you: and I will take away the stony heart out of your flesh, and I will give you an heart of flesh. And I will put my spirit within you, and cause you to walk in my statutes, and ye shall keep my judgments, and do them."

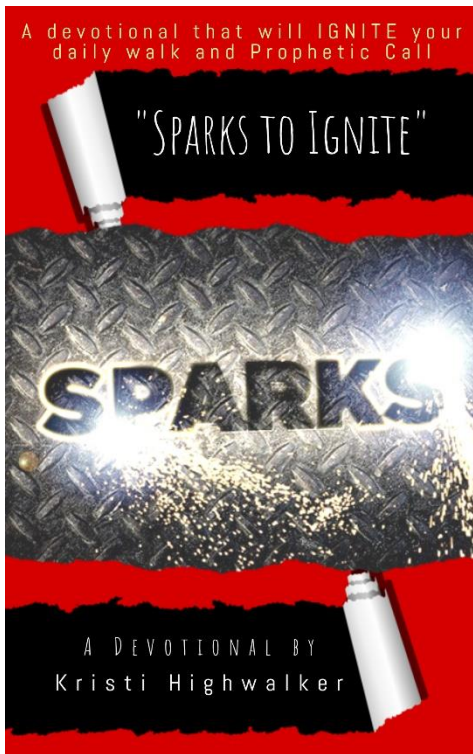

**F. Of the joy of our salvation:**

***Psalms 51:12-13*** "Restore unto me the joy of thy salvation; and uphold me with thy free spirit. Then will I teach transgressors thy way; and sinner shall be converted unto thee."

Richard and I want you to know we are praying for each of you,

In the love of the Father

The Highwalkers

We are so excited in that which the Father has shared with us to do with Sparks to Ignite Volume 1. The Father shared with us in back in the imagination phase of this book and all the coming forth volumes, that his pulse upon this book was to equip his children. That this book would ignite one's daily walk and prophetic call. It is unique unlike other devotionals. For it not only gives one a mini daily study but teaching and activates one into prophetic decree's over their lives.

The Fathers heart is to get these books into Jails, Prisons, and transitional houses, to be a tool used to affect the lives to empower them into the flow of his heart and the value of the weapon of choice he granted us, our voice!

This is where we need you our amazing partners and financial supporters to join with us in this mission. We are in touch with a ministry in Oklahoma as well as

three ministries in Kansas who operate in Prison Ministry and Transitional houses. And it is our heart to begin to supply Sparks to Ignite behind the walls and in houses of ones coming out of behind the walls.

Richard and I are personally involved and partnered with each of these ministries and there is a hunger inside the prisons and even city jails, that we need to be tapped into and feeding. What better way then to bring Sparks to Ignite into their lives. In order to do this, we need your partnership. For not all can go, but you can send us, you can send this book and following volumes with us. Prison ministry is in our DNA and we want to establish Kingdom principals within the walls and out.

In the last part of September, we will be going behind the walls in Topeka Ks, and On Oct 5<sup>th</sup> we will be at an event hosted by a ministry in which equips not only ones coming out of prison but the children of those locked up. Both ministries we are involved with these dates have a transitional house, and we would like to at least be able to take a case to each house.

This is where we need you ! Wont you sow seed into this pulse of God today! In the memo place Sparks behind the walls and out and 100% of the donation will be to deliver these books. We hope to deliver several cases a month behind the walls and in transitional house and county jails all through out Oklahoma and Kansas.

This month's series we are delivering unto our precious partners is called Living Face to Face. We will be sending via email one session a month. This is a four-part series. Here is some about what you will get in Part 1 of Face to Face living in the intimacy with God.

Welcome to the Ascension Where we will find we can meet Face to Face with God: Where I learn the power that is within prayer and calling upon HIM. today, we are going to tap into a lifestyle of face to face,

**Jerm 33:3** Says call unto me, and I will answer and show thee great and mighty things which thou didn't knowest.

Taking God at His word transformed the life and ministry of a young man named Dawson Trotman. He Evangelized beside mighty men of our History like Rev Billy Graham and others, Dawson was deep into Scripture memorization. One verse that captured his attention was Jeremiah 33:3 – "Call unto me, and I will answer thee, and show thee great and mighty things, which thou knowest not" (KJV).

Again, and again he reviewed and meditated upon this verse.

Did God really mean it – call upon Me; I will answer you; I will show you great and mighty things? Pondering this led to a 42-day "prayer meeting," in which Trotman and a few others with him got serious about praying for local youth and cities, and then expanded out to other cities in their state, other states in their nation, and finally the world.

The small band of brothers prayed for two hours every morning – three on Sundays! In six weeks' time, they had spent more than 100 hours in prayer, asking God to use them to win and train individuals for His glory around the world. They didn't know how, but they claimed Jeremiah 33:3 and trusted God to fill in the details.

"We didn't even know what we were praying," Trotman said. "I didn't realize that within four years, men from every state of the nation would walk into our front room and find the Savior. God answered our prayers abundantly, and there was the beginning of our work called today by the name, Navigators."

**Growing in Intimacy With God. We must learn how to** connect with God more deeply.

You will grow in intimacy with God as you take the time to talk with Him each day. You will learn to become more intentional as you approach the most important conversation of the day – with the Creator of the universe who is there, cares, and listens with an ear to respond, both for His glory and for your good.

Another man **I love to hear stories about Charles Finney**. Charles Finney was a lawyer from New York in the 1800's who the Lord used greatly to bring about revival. He soon quit his law practice and went into times of prayer and fasting. Over 100,000 were considered converted during his meetings with 80% continuing on with the Lord. That was a large number of people in those days.

***What was the main secret of his spiritual success?***

He had two faithful intercessors, Daniel Nash and Abel Clary, who believed in fervent prayer. They would go ahead of Finney to the cities where he was going to preach, and they would cry out to God and weep in prayer for those cities. Sometimes they would groan in agony over souls. **God honored their prevailing prayers and sent revival.**

Through the years, I have grown in my passion for Jesus through prayer, and my prayer is that this will also be your experience as you allow the Holy Spirit to guide you.

The question here today is, can you have a lifestyle of intimacy with God like Dawson, Finney did? Can I too have a VOICE, see ones VOICE comes out of intimacy and intimacy is birthed out of prayer and fasting and worship.

See Joel 2:23 says decree a thing, and I will establish it for you! Can I tell you that your weapon of choice is your voice, a voice found and established out of prayer and fasting?

### **Lets look into the word here about Moses**

Can I Have a Relationship Like Moses? Can I ascend, it is the will of God for my life?

- Ascension means movement upwards
- Rising to a higher point
- Taking over
- Inheritance
- Act of climbing

To BUILD a LIFESTYLE of Intimacy, the kind liked to that of Dawson, and Charles Finney an likened to Moses, it takes time, and it takes much dedication. ( how? Prayer, fasting, worship all is a form of intimacy with God and in these do we find true hunger for more. We are in the year of there is more there is greater there is larger it is yours. But it comes forth and breaks out from the foundation of prayer.

Listen all is evolved through prayer-fasting-worship which is the foundation of intimacy and builds such hunger for Him and the things of him. Which leads to a life likened to Moses which was face to face living. Leading to a life **Like Moses Did, You Can Have Intimacy with God. There is something compelling about the image of Moses speaking directly with God,** standing with the cloud of God's Presence at the entrance to the Tent of Meeting.

**(Ex 33:7-11)** *Now Moses used to take [his own] tent and pitch it outside the camp, far off from the camp, and he called it the tent of meeting [of God with His own people]. And everyone who sought the Lord went out to [that temporary] tent of meeting which was outside the camp. 8 When Moses went out to the tent of meeting, all the people rose and stood, every man at his tent door, and looked after Moses until he had gone into the tent. 9 When Moses entered the tent, the pillar of cloud would descend and stand at the door of the tent, and the Lord would talk with Moses. 10 And all the people saw the pillar of cloud stand at the tent door, and all the people rose up and worshiped, every man at his tent door. 11 And the Lord spoke to Moses face to face, as a man speaks to his friend. Moses returned to the camp, but his minister Joshua son of Nun, a young man, did not depart from the [temporary prayer] tent.*

### **Lets look at somethings here:**

- How did it feel to be that close to God?

- What did God's voice sound like?
- What must it have been like to know that God wanted to spend time talking personally with Moses—sharing His own intentions and feelings?
- 

**Moses had an intimate friendship with God that no one else at that time shared. And yet, this relationship is available to each one of us, should we desire it. (John 15:15) Prayer is talking**  
*John 15:15 I do not call you servants (slaves) any longer, for the servant does not know what his master is doing (working out). But I have called you My friends, because I have made known to you everything that I have heard from My Father. [I have revealed to you everything that I have learned from Him.]*

**It has been said, 'you are as close to God as you want to be.' A glimpse of Moses' prayer life shows us the nearness to God that is possible. So does a glimpse of Jesus's and others lets look:**

E. M. Bounds says: "Christ, who in this as well as in other things is our example, spent many whole nights in prayer. His custom was to pray much. He had His habitual place to pray. Many long seasons of praying made up His history and character. Paul prayed day and night. Daniel's three daily prayers took time away from other important interests. David's morning, noon, and night praying was doubtless on many occasions very long and involved. While we have no specific account of the time these Bible saints spent in prayer, the indications are that they devoted much time to prayer, and on some occasions long seasons of praying were their custom."

Intimacy—God's Idea ( keys to understand) **Our word 'intimacy' comes from a Latin word meaning 'innermost.'** An intimate friend is someone with whom we can share our deepest personal feelings. 'INTO-ME-SEE': **Intimacy implies a high level of transparency in a relationship.** ( Say with me: I am ascending in my Relationship with God) **Intimacy is what Adam and Eve had with God at the beginning of creation,** when the Lord walked in the Garden of Eden with them. Intimacy is what they lost when they disobeyed God's word. (Gen 1-3) Why would we think it would be any different for us?

**Intimacy of relationship is what Jesus died on the cross to restore; hence, we know it is very important to God.** (Gal 4:4-6) <sup>4</sup> But when [in God's plan] the proper time had fully come, God sent His Son, born of a woman, born under the [regulations of the] Law, <sup>5</sup> so that He might redeem *and* liberate those who were under the Law, that we [who believe] might be adopted as sons [as God's children with all rights as fully grown members of a family]. <sup>6</sup> And because you [really] are [His] sons, God has sent the Spirit of His Son into our hearts, crying out, <sup>[a]</sup> "Abba! Father!"

**As it has been said—'If God seems far away, guess who moved?'**

**God has already done all that He can to restore intimacy with us.** He is waiting for us to make the move towards Him. I want to share right here for a moment that because of brokenness in which many have walked through in their natural life, some do not know truly how to build true relationships, ones that are from a standpoint of intimacy not from manipulative mindsets, which build ( shape construct properly) to get what they need but never seal the friendship, they can come or go take them or leave them never truly bonding.

**Moses- Finney- Dawson- Graham- they were all BONDED we must be BONDED and if you cannot bond today is your day you will be set free.** Say with me: Today I am going to have intimate relations with God today I am going to get past the hurt, today I am going to be taught, so I can bond and have true relationship of intimacy. Look forward to receiving an email with part 2 next month.
